

**The 2019  
Virginia Horse Shows Association, Inc.  
Yearling Futurity Program**

We are pleased to offer the 2019 Virginia Horse Shows Association's Yearling Futurity and we invite your participation in this exciting venture. The foal your mare is carrying could win prestige, but also substantial prize money in the summer of its yearling year - but you must act quickly, before **MAY 31, 2018**.

The VHSA Yearling Futurity is open to all, regardless of the state of foaling. In order to make the foal your mare is carrying eligible to compete in 2019, your entry must be postmarked no later than **May 31, 2018**.

Your yearling will be judged by top horse people on the basis of conformation and way of moving. Judging will take place in late summer, 2019. There will be one division - split into two classes: Colts/Geldings and Fillies. Each class will have prize money paid back to eight places.

The VHSA is pleased to announce that since 2010 the Virginia Horse Industry Board has awarded a "VA Bred" Program Grant to the VHSA Yearling Futurity Program to be used as part of the Futurity prize money to those who have Virginia bred yearlings. We are once again very fortunate to have received a \$5,000 grant from the VHIB that will be used entirely as Prize Money paid to the VA Bred owners for the 2018 Yearling Futurity Program.

In order to nominate your foal, please complete the Nomination Form on reverse and you may choose a one time single payment of \$100 or a payment plan which consists of four payments.

Once your foal is nominated, you maintain its eligibility as long as you wish by making the payments according to the following schedule and maintaining your senior membership in the VHSA.
