Thoroughbred Incentive Program (TIP)

The purpose of the Thoroughbred Incentive Program is to recognize and reward Thoroughbreds in a second career. Thoroughbreds winning awards are recognized through the Winners page, where the winners of each T.I.P. award at shows are listed. In addition, the data provided by the results reported by shows supports the existence of the program by demonstrating how many horses are participating. T.I.P.'s only "points" program is the Performance Awards, which are 100% self-reported by the owner based on participation at all shows. That includes T.I.P. classes and non-T.I.P. classes at any show. So the name of the division has no effect on Performance Award points. Our Thoroughbred Hunter division will qualify you for T.I.P. Special Hunter Division. In addition, for purposes of qualifying for T.I.P. Championships, a horse can show in any division at a House Mountain show and qualify for T.I.P. Championships in the discipline and at the height they showed.

This service provides an effective way to communicate with exhibitors via text message alerts during the show with ring and scheduling updates. It is FREE to exhibitors and will help the show run smoothly and efficiently.

If a show does not have a Working Hunter Division, but does have an Open Division then we will accept those points toward the Working Hunter Division as long as there are at least three Working Hunter exhibitors competing in the Division and they meet the VHSA division specifications. In order to accrue VHSA Associate points the height for this division shall be no lower than 2'6". The Working Hunter Division can be combined with the Green Hunter Horse Division and the Thoroughbred Hunter Division. It is the Show Secretary's responsibility to indicate on the results which division each horse's points should be awarded to. At the VHSA Associate Championship Horse Show the Jump Height for this Division will be 3'.
